

BNSF Railway's new international intermodal service delivers MORE capacity, and faster, MORE reliable service between Seattle/Tacoma and Portland than any other provider.

As the intermodal industry leader, BNSF Railway is expanding its services to bring more opportunities for shippers through this growing Pacific Northwest gateway.

DELIVERING MORE FROM SEATTLE
TACOMA
PORTLAND

- **MORE capacity, reliable service and faster transit times** than any other provider
- **MORE to haul** with heavier train freight loads compared to trucking
- **MORE market growth** for your business with exporting and importing opportunities
- **MORE cost savings** compared to over-the-road trucking
