

Photography/Videography Consent and Release Form

I, _____, attest that all participants affiliated with my program attending the 2020 Technology Awareness Day event consent to use of their name, voice, image, likeness and any and all attributes of their personality, in, on, or in connection with any film, audio tape, video tape, audio-visual work, photograph, illustration, animation or broadcast in any media or embodiment including, without limitation, any formats of computer readable media produced by or for the benefit of BNSF Railway or others affiliated with or participating in the Technology Awareness Day event. **By signing this document I am affirming that I and all participants affiliated with my program and their parents or legal guardians understand that such consent is MANDATORY for participation in the 2020 Technology Awareness Day. I also attest I consent personally for myself and possess such proper and legal consent for all of my program’s participants, all of which I will retain for a period of not less than two years.**
