## Changes to Intermodal Containerized Grain Shipments Effective June 1, 2008

BNSF has created two new intermodal public price authorities for moving grain shipments, and an authority to position empty containers, **effective June 1, 2008.**

Price Authority	Shipment Type	Locations
QTBulkAgW*	Containerized bulk grain products	<u>From:</u> Dilworth, MN, Minot, ND**, and St. Paul, MN
QTPkgAgW	Containerized packaged grain products	<u>From:</u> Dilworth, MN, Minot, ND**, and St. Paul, MN
QTMtyRepoW	Empty containers	<u>From:</u> Chicago, IL <u>To:</u> Dilworth, MN, Minot, ND**, and St. Paul, MN

\*Shipments moving under this authority will be subject to all requirements stated on the [BNSF Intermodal Bulk Ag Web page](#).

\*\*Minot, ND, is a private intermodal facility and operated by North Dakota Port Services. Prior to shipping to this facility, please contact North Dakota Port Services at (701) 852-7678 to coordinate intermodal shipments in international containers.

Shipments moving under these authorities will also be governed by the [BNSF Intermodal Rules and Policies Guide](#) (R&PG) and **will be applicable to the [BNSF intermodal standard weekly Revenue Fuel Surcharge](#).**

As with all intermodal shipments, only a BNSF intermodal shipper (party who signed an intermodal transportation contract and followed the process outlined on the [Intermodal New Customer Page](#)) can tender intermodal shipments to BNSF. Please contact [BNSF Load and Ride Solutions](#) if you have special loading and weight considerations.

If you have any questions regarding this change, please contact your BNSF Intermodal Sales Representative at 888-428-2673.
