When Coverage Ends

Medical and Vision Care Programs for Pre-Medicare Retirees

BNSF Group Benefits Plan

Effective Jan. 1, 2019

This chapter describes when retiree coverage ends under the Medical and Vision Care Programs for Pre-Medicare Retirees, as well as how coverage may continue after your BNSF-sponsored coverage ends.

When Coverage Ends

For You and Your Dependents

Coverage as a retiree for you and your covered dependents under the Medical and Vision Care Programs for Pre-Medicare Retirees of the BNSF Group Benefits Plan will end on the first to occur of the following:

► The date any Medical or Vision Care Program or plan under the BNSF Group Benefits Plan ends;

► The date you and/or your dependent(s) are no longer eligible for coverage (including because you or a dependent becomes eligible for Medicare);

► The first day of the period for which you and/or your dependent(s) do not make the required contributions; or

► The date any insurance company cancels or otherwise does not renew the policy and BNSF does not purchase replacement coverage under which you and/or your dependent(s) would qualify.

For Your Dependents

Dependents will lose their retiree coverage on the first to occur of the following:

► The date you (the retiree) are no longer eligible for any reason other than you become eligible for Medicare or your death; or

► The date the dependent no longer meets a program’s eligibility rules for dependent coverage.

For details of when a child loses eligibility and coverage ends, see When Coverage of a Child Ends in the Dependents section of the chapter of this SPD titled Who Is Eligible and How to Enroll – Medical and Vision Care Programs for Pre-Medicare Retirees.
Continued Coverage for Dependents if You Die
If you have eligible dependents covered under the Medical and/or Vision Care Programs for Pre-Medicare Retirees at the time you become eligible for Medicare or at the time of your death, they may continue coverage as long as they continue to meet eligibility requirements and pay the appropriate premiums.

Continuing Health Care Coverage Under COBRA
If a covered dependent loses coverage due to a loss of dependent eligibility, he or she may have a right to COBRA continuation coverage under COBRA (the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended). For more information, see the chapter of this SPD titled Continuing Health Care Coverage Under COBRA – Medical and Vision Care Programs for Pre-Medicare Retirees.
