- Freight charges must be prepaid when BNSF is the originating carrier or freight charges must be collect when BNSF is the terminating carrier.
- Price applies in U.S. Funds.
- If a shipment that moved pursuant to this price list or moved from an origin served by BNSF has reached its destination, but is rejected or not completely unloaded, at shipper's request, carrier(s) shall return the commodity remaining in cars to origin (via the reverse routing) or any destination served by BNSF or the participating carriers named in this price list, under provisions contained in applicable tariffs in effect on the date of return. In such case, the rate contained in this price list may be utilized for the return trip if it produces the lowest transportation charges. Customer warrants that its interest in the equipment used under rates in this price list is sufficient to permit it to waive full payment of mileage allowances, customer and railroad agree that railroad will not be liable for mileage allowances in excess of the above obligation. In the event that a party other than customer submits a claim to railroad for mileage allowance payments in excess of railroad's obligation under this price list, customer shall at railroad's option either (1) release, defend and indemnify railroad from said claim including attorney's fees and cost of litigation or (2) reimburse railroad for excess mileage allowances paid by railroad within (30) days of notice by railroad.
- Price is not subject to a Fuel Surcharge.
- Shipments reaching destination but not unloaded, for reasons other than carrier error, may be returned to original shipping point via the reverse route at the same price.

- Price authority is subject to change without notice.
- Rates in this price list take precedence in the following order: 1st - Point to Point, 2nd - Point to Group, Group to Point, or Group to Group, and 3rd - Mileage Scale.
- Transportation under this agreement is subject to BNSF Rules Book 6100-Series in effect as of the date of shipment. A copy of this Rules Book may be obtained via the internet at: [www.BNSF.com](http://www.BNSF.com).
