

**PT TO PT/GRP PR C-HOP MIN/MAX WEIGHT****GENERAL RULES**

- Freight charges must be prepaid when BNSF is the originating carrier or freight charges must be collect when BNSF is the terminating carrier.
- Price applies in U.S. Funds.
- Except as otherwise provided in individual rate items, when specific point-to-point and group-to-point rates published in this price list provide for the same territorial application on the same commodity as do mileage scale rate items, the point-to-point and group-to-point rates will apply and the mileage scale rates will have no application. Mileage scale rate items are defined as any items which require a mileage to calculate the rate. Point-to-point and group-to-point rate items are defined as any items which do not require a mileage to calculate the rate, and will include the combination of two or more separately published point-to-point rates to establish a combination thru rate.
- Price is subject to a Fuel Surcharge. A mileage based fuel surcharge will be applied to the rates or charges in this price authority for the shipment, as provided for in Item 3377-Series, (\$3.25 Strike Price) of BNSF Rules Book 6100-Series. This amount will be added to the freight bill.
- The Price document number, correct address and patron code must be shown on the bill of lading to insure accurate billing. Payments of freight charges on interline through rates within this price authority are as follows: Freight charges must be prepaid when BNSF is the originating carrier. Freight charges must be collect when BNSF is the terminating carrier.
- Price authority is subject to change without notice.
- Switching charges at origin and destination will be absorbed up to \$160.00 per car. No more than \$160.00 per car will be absorbed. No intermediate switch charges for UP will be absorbed when destination is Elk Grove Village, IL. Any additional amount will be assessed (except as otherwise noted).
- Prices in this Rate Item Price List do not alternate with other Rate Item Price Lists.
- Transportation under this agreement is subject to BNSF Rules Book 6100-Series in effect as of the date of shipment. A copy of this Rules Book may be obtained via the internet at: [www.BNSF.com](http://www.BNSF.com). MILEAGE SOURCE: For direct BNSF shipments (Local, or Accounting Rule 11), the mileage source is BNSF Rail Carrier Miles. For interline BNSF shipments the mileage source is PC\*Miler Rail Fuel Surcharge router from Trimble, as implemented by BNSF, based on the non-familized interactive miles for the revenue route and the applicable interchanges with interline carriers. To determine miles refer to the BNSF Get a Freight Rate application at [www.BNSF.com](http://www.BNSF.com).
