

Gateway Industrial Park consists of 126 acres located in Cooke County in the City of Gainesville. Gateway Industrial Park has access to BNSF Railway and has received certification as part of BNSF Railway's Site Certification program. BNSF certification ensures a site is ready for rapid acquisition and development through a comprehensive evaluation of existing and projected infrastructure, environmental and geotechnical standards, utility evaluation and site availability.

SELECTING A CERTIFIED SITE CAN:

- Reduce development time
- Increase speed to market
- Reduce upfront development risk of rail-served industrial sites

PROPERTY DETAILS

Gateway Industrial Park consists of 126 acres with the east side of the property running parallel to the BNSF mainline. Gateway Industrial Park is conveniently located in northwest Gainesville city limits, just off Interstate 35.

Site Details:

- 126 acres available for development
- Direct access to BNSF
- Industrial zoning

Annual Avg. Wage	\$45,900

BNSF PREMIER PARKS, SITES AND TRANSLOAD PROGRAM

BNSF Certified Sites are a part of the Premier Parks, Sites and Transload program which is a strategic approach to addressing the increasing demand for customer site locations by developing various types of facilities across the BNSF network. BNSF Certified Sites have been reviewed by an industry expert in order to ensure accurate, reliable data. Our goal is to provide an inventory of rail-served sites that are available for immediate development.*

* In order to ensure a safe, efficient and economical switch operation, BNSF will want to review and approve the engineering plans to serve each tenant facility.
