

**BOX CORN STARCH- MILEAGE SCALE
FROM BNSF ORIGINS****TO BNSF DESTINATION****GENERAL RULES**

- Freight charges must be prepaid.
- Price applies in U.S. Funds.
- Rates do not apply from the states of ID, MT, OR or WA to CA or OR and reverse.
- Price does not apply on shipments accorded transit, inspection, sampling or stopping in transit for loading or unloading.
- Rates may be used on a proportional basis over the furthest line-haul junction on interline forwarded or received traffic. Interline forwarded traffic must be routed to the furthest BNSF junction point, and interline received traffic must be routed to nearest BNSF junction point to maximize BNSF's long haul movement. In any case where BNSF does not receive the maximum long haul, for received or forwarded traffic, a penalty of \$500 will be added to the rate.
- -(A) Claims or lawsuits for less than \$250 shall not be filed and no claim shall be paid if the amount of loss or damage is found to be under \$250 per car. - (B) Any suit against BNSF or its connecting carriers based on transportation provided under the terms of this circular shall be commenced within one (1) year from the date of delivery, or in the case of failure to make delivery then within (1) year after reasonable time for delivery has elapsed. Such suit shall be filed in the state or providence of origin on or interchange to BNSF. - (C) Any claim or suit not filed in strict accordance with the terms and conditions of this circular shall be void.
- Price is not subject to a Fuel Surcharge.
- The Price document number, correct address and patron code must be shown on the bill of lading to insure accurate billing.
- Rates in the Price Authority Mileage Scale apply between BNSF stations when no point to point rates exist. Where specific point to point rates apply in this or any other lists or Price Authorities the Mileage Scale will not apply.
- To determine miles, refer to BNSF Carload Shipping Advisor at www.BNSF.com. For any mileage not listed use the next greater mileage that is shown.
- Transportation under this agreement is subject to BNSF Rules Book 6100-Series in effect as of the date of shipment. A copy of this Rules Book may be obtained via the internet at: www.BNSF.com.
- Switching charges at both origin and destination will be absorbed up to 0295.00.
- When a shipment has reached destination but is refused or rejected and not unloaded and is returned to the original shipping point or a directly intermediate point, the return movement will be subject to (1) the rate and minimum weight from the original shipping point in effect on date shipment is tendered or (2) to the rate applicable for such return movement, if lower.
- Prices in this Rate Item Price List alternate with other Rate Item Price Lists.
