

SCALE (DEST BRENHAM TX; CLEARFIELD/SLC/OGDEN UT) CORN SYRUP**GENERAL RULES**

- Freight charges must be prepaid when BNSF is the originating carrier or freight charges must be collect when BNSF is the terminating carrier.
- Price applies in U.S. Funds.
- No mileage allowance will be paid. Customer warrants that its interest in the equipment used under rates in this price list is sufficient to permit it to waive full payment of mileage allowances, customer and railroad agree that railroad will not be liable for mileage allowances in excess of the above obligation. In the event that a party other than customer submits a claim to railroad for mileage allowance payments in excess of railroad's obligation under this price list, customer shall at railroad's option either (1) release, defend and indemnify railroad from said claim including attorney's fees and cost of litigation or (2) reimburse railroad for excess mileage allowances paid by railroad within (30) days of notice by railroad.
- When a shipment has reached destination but is refused or rejected and not unloaded and is returned to the original shipping point or a directly intermediate point, the return movement will be subject to (1) the rate and minimum weight from the original shipping point in effect on date shipment is tendered or (2) to the rate applicable for such return movement, if lower.
- Rates will apply from origins and destinations served by the BNSF via BNSF direct WHEN origin or destination is BRENHAM, TX, CLEARFIELD, UT, SALT LAKE CITY, UT and OGDEN, UT. These rates may be used when constructing combination rates for movement originating or terminating on other carriers. However, interline forwarded traffic must be routed to the furthest BNSF junction point. Conversely, interline received traffic must be routed to nearest BNSF junction point to maximize BNSF's long haul movement. When BNSF serves both origin and destination, traffic must be routed BNSF. An additional charge or \$600 per car will be assessed when shipments do not comply with above BNSF maximum haul requirements.
- Price is subject to a Fuel Surcharge. A mileage based fuel surcharge will be applied to the rates or charges in this price authority for the shipment, as provided for in Item 3377-Series, (\$3.25 Strike Price) of BNSF Rules Book 6100-Series. This amount will be added to the freight bill.
- Price may be used in combination with other prices for the portion of the shipment both prior to specified origin and subsequent to specified destination. If used in combination, separate freight bills will be issued for each price used according to the provisions of Railway Accounting Rule 11.
- The Price document number, correct address and patron code must be shown on the bill of lading to insure accurate billing. Payments of freight charges on interline through rates within this price authority are as follows: Freight charges must be prepaid when BNSF is the originating carrier. Freight charges must be collect when BNSF is the terminating carrier.
- Price authority is subject to change without notice.
- To determine miles, refer to BNSF Get a Freight Rate at www.BNSF.com. For any mileage not listed use the next greater mileage that is shown.
- Rates in this price list take precedence in the following order: 1st - Point to Point, 2nd - Point to Group, Group to Point, or Group to Group, and 3rd - Mileage Scale.
- Transportation under this agreement is subject to BNSF Rules Book 6100-Series in effect as of the date of shipment. A copy of this Rules Book may be obtained via the internet at: www.BNSF.com.
- For per car rates displayed in this Price Authority: For shipments moving on per car based rates in this Price Authority, BNSF will not be required to weigh shipments. Requests for weighing a car will be subject to the rules, regulations and charges found in BNSF Weighing Book BNSF-9300-Series. For weight based rates displayed in this Price Authority: For shipments moving on weight based rates in this Price Authority, shipper must have a Weight Agreement and will be responsible for supplying BNSF origin weights at the time of billing. If you are unsure if you have a Weight Agreement with BNSF, please contact auxpricing@bnsf.com. A weighing charge will apply whenever BNSF is requested to weigh a car. Except as otherwise provided herein, the rules, regulations and charges of BNSF Weighing Book, BNSF-9300 Series will apply, except item 500, paragraph C., 1, will not apply.
- Switching charges at Origin and Destination will be absorbed up to \$295.00. No more than \$295.00 per car will be absorbed.
- Prices in this Rate Item Price List alternate with other Rate Item Price Lists.

COMMODITY DEFINITIONS

CODE	STCC	DESCRIPTION
BNSF 90029 SEC 4	20461	CORN SYRUP
	2046215	CORN STARCH, LIQUID
